

Management Assurance in Higher Education

Kingston City Group (KCG) is a professional services organisation specialising in internal audit, risk management and corporate governance services to Higher Education Institutions (HEIs) in London and the South East. In its fifth year of operations, KCG is expecting to deliver turnover in excess of £1M, doubling in the next three year period. Based in Kingston-Upon-Thames and various locations in the City of London, KCG is now looking to recruit highly motivated, high calibre staff to take the vision of high quality and modern management assurance services provision forward in the Higher Education (HE) sector.

Audit Consultant, Central London

£39-£46K plus bonus, 35 days holiday, final salary pension scheme

We are looking for an additional Audit Consultant to join our team in central London. Reporting to the KCG Director, you will have responsibility for carrying out audit assignments at a range of KCG client institutions in and around the central London area. You will carry out a wide variety of audits from complex systems reviews, operational and service reviews, through to assistance with special investigations. You will need to have a CCAB qualification or MIIA (and educated to degree level), preferably with experience of the Big 4 with at least 2 years of internal auditing experience (or systems based external auditing experience) in any sector.

Audit Manager, Central London

£47-£50K plus bonus, 35 days holiday, final salary pension scheme

We are looking for an additional Audit Manager to join our team in central London. Reporting to the KCG Director, you will be crucial to ensuring that KCG can achieve its operational and strategic aims through your team of auditors. You will have responsibility for a portfolio of diverse client institutions in the HE sector in central London. Your role will be to plan and deliver the internal audit programmes for these clients, including facilitation of the risk management programmes, special investigations, strategic reviews of key activities and functions, and IT assurance. You will be the key senior contact for each client in your portfolio, having to build important working relationships with the most senior staff in your client institutions, including the Vice Chancellors, Finance Directors and Audit Committee members. You must be CCAB or MIIA qualified, educated to degree level, preferably with experience of the Big 4 with at least 5 years of internal auditing experience (or systems based external auditing experience) in any sector.

For both positions, you will need to be a highly motivated team-player, capable of working under pressure in a professional environment to deliver assignments and programmes on time, to a high standard and within allocated budgets. You will need to have excellent report writing and communication skills. KCG is looking for people who would like to be a part of an exciting, innovative, highly professional and dynamic organisation to transform the delivery of management assurance services in the HE sector. Significant growth is planned in the next three years which will require the commitment and dedication of all KCG staff. In return, KCG offers highly competitive remuneration packages and benefits, with job satisfaction and significant opportunities for career development, no travel.
