

Management Assurance in Higher Education

Kingston City Group (KCG) is a professional services organisation specialising in internal audit, risk management and corporate governance services to Higher Education Institutions (HEIs) in London and the South East. In its sixth year of operations, KCG is expecting to deliver turnover in excess of £1M. Based in Kingston-Upon-Thames, various locations in London and In Canterbury, KCG is now looking to recruit a highly motivated, high calibre audit consultant to take the vision of high quality and modern management assurance services provision forward in the Higher Education (HE) sector.

Audit Consultant, Canterbury, Kent

£39-£46K plus bonus, 35 days holiday, final salary pension scheme

We are looking for an Audit Consultant to join our team working with the University of Kent in Canterbury. Reporting to the KCG Director, you will have responsibility for carrying out audit assignments at the University. You may also work occasionally at our higher education clients in central London. You will carry out a wide variety of audits from complex systems reviews, operational and service reviews, through to assistance with special investigations. You will need to have a CCAB qualification or MIIA (and educated to degree level), preferably with major accounting firm experience and at least 2 years of internal auditing experience (or systems based external auditing experience) in any sector.

You will need to be a highly motivated team-player, capable of working under pressure in a professional environment to deliver assignments and programmes on time, to a high standard and within allocated budgets. You will need to have excellent report writing and communication skills. KCG is looking for someone who would like to be a part of an exciting, innovative, highly professional and dynamic organisation to transform the delivery of management assurance services in the HE sector. In return, KCG offers highly competitive remuneration packages and benefits, with job satisfaction and significant opportunities for career development.
